Accidental Injury Only Coverage

AccidentWise™

Accidents can happen unexpectedly, but that doesn't mean you can't be prepared. Our AccidentWise plan is designed to provide cash benefits to help with the out-of-pocket costs associated with accidental injuries.

This Accidental Injury Only coverage provides limited benefits. AccidentWise is not major medical or comprehensive health insurance and does not provide the mandated coverage necessary to avoid a penalty under the Affordable Care Act. This coverage provides benefits for losses resulting from accidental bodily injury.

The Chesapeake Life Insurance Company is the underwriter and administrator of these plans.

Why an AccidentWise plan?

Accidents happen and the **AccidentWise** plan can help you cover some expenses related to accidental injury and treatment. Choose from four budget-friendly options to find a plan that offers the right benefit amounts for you. When you receive treatment for an accidental injury, the plan pays lump-sum cash benefits directly to you. The money can be used to pay unexpected medical costs or everyday living expenses.

Cash benefits can be used to help you with:

- Deductibles, copays or coinsurance on your current health plan
- Rent/Mortgage
- Car payment
- Child care
- Everyday living expenses

It's also good to know:

- Premiums do not increase due to age
- Issue Ages: 0 through 75*

Renewable for Life

- These plans are renewable for life as outlined in the Policy.

*Issue Ages: 0 through 64 in California.

This is an outline only and is not intended to serve as a legal interpretation of benefits. Reasonable effort has been made to have this outline represent the intent of contract language. However, the contract language stands alone and the complete terms of the coverage will be determined by the Policy. State specific differences may apply.
