Summary of Benefits and Coverage: What this Plan Covers & What it Costs

The Summary of Benefits and Coverage (SBC) document will help you choose a health <u>plan</u>. The SBC shows you how you and the <u>plan</u> would share the cost for covered health care services. NOTE: Information about the cost of this <u>plan</u> (called the <u>premium</u>) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit selecthealth.org or call 800-538-5038. For general definitions of common terms, such as <u>allowed amount</u>, <u>balance billing</u>, <u>coinsurance</u>, <u>copayment</u>, <u>deductible</u>, <u>provider</u>, or other **underlined** terms see the Glossary. | Important Questions   | Answers  | Why this Matters:  |
|---|--|--|
| What is the overall<br><u>deductible</u> ?                              | <b>\$6,500</b> person/ <b>\$13,000</b> family in-network per calendar year.  | Generally, you must pay all the costs from <b>providers</b> up to the <b>deductible</b> amount before this <b>plan</b> begins to pay. If you have other family members on the <b>plan</b> , each family member must meet their own individual <b>deductible</b> until the total amount of deductible expenses paid by all family members meets the overall family <b>deductible</b> .  |
| Are there services covered before you meet your <u>deductible</u> ?     | Yes. Prescription drugs, <u><b>Preventive</b></u> Services,<br>and office visits are covered before you meet<br>your <u><b>Deductible</b></u> .                        | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <u>https://www.healthcare.gov/coverage/preventive-care-benefits/</u> .  |
| Are there other <u>deductibles</u> for specific services?               | Yes. <b>\$2,000</b> per person for prescription drugs.<br>There are no other specific <b>Deductibles</b> .   | You must pay all of the costs for these services up to the specific <u>deductible</u><br>amount before this <u>plan</u> begins to pay for these services.  |
| What is the <u>out-of-pocket</u><br><u>limit</u> for this <u>plan</u> ? | <b>\$9,100</b> person/ <b>\$18,200</b> family in-network per calendar year.  | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| What is not included in the<br><u>out–of–pocket limit</u> ?             | Premiums, balance-billed charges, preventive<br>services, healthcare this plan doesn't cover, and<br>penalties for failure to obtain preauthorization<br>for services. | Even though you pay these expenses, they don't count toward the <u>out-of-pocket</u><br><u>limit</u> .   |
| Will you pay less if you use<br>a <u>network provider</u> ?             | Yes. To find an in-network SelectHealth Value <sup>®</sup><br>provider visit selecthealth.org/findadoctor or<br>call Member Services at 800-538-5038.                  | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a provider for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network</u> <u>provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a referral to<br>see a <u>specialist</u> ?                  | No.  | You can see the specialist you choose without a referral.  |

A

All **<u>copayment</u>** and **<u>coinsurance</u>** costs shown in this chart are after your **<u>deductible</u>** has been met, if a **<u>deductible</u>** applies.
